Morgan Stanley believes capital has the power to create positive change in the world. The biggest and most impactful changes come from people like you. If you come to Morgan Stanley, what will you create?

If you want to hear how you can put your talent and ambition to work and be part of a team that creates positive change, join us in an interactive simulation game in which you will be able to rotate through roles in the Investment Banking Division and the Global Markets desk. This is a unique way to really understand what happens inside an investment bank.

What will you create? Come and find out.
